2025 Winter Term Alumni Newsletter Update (2)

Greetings from the active chapter of Phi Delta Theta! We hope this newsletter finds you well. As we move into the spring semester, we are excited to share updates on the completed winter rush, our recent events, our upcoming gatherings, and future ways to stay connected with your fraternity brothers!

Successful Winter Rush

As of today, all new members of Phi Delta Theta have been initiated and are officially Brothers In The Bond! All brothers agree this is an extraordinary class of Phi's and really enjoyed getting to know them through their pledgship process.

Here are a few words from our Phikeia Educator, Spencer Denton:

"As the Phikeia Educator for Phi Delta Theta, it's been an absolute privilege to work with this incredible group of guys. Since day one, I've been impressed by their enthusiasm and dedication to our core principles and personal growth. We shared many memorable moments from serenading the sororities to an upcoming project of re-painting the basketball slab. Overall, the pledge class of 2025 was truly incredible, I am excited to continue to watch them grow in brotherhood and see what it means to be a brother in the bond!"

Here are a few words from our newly initiated members:

"Pledgeship with the Phi Delta Theta fraternity not only allowed me to meet lots of new people but helped me create a brotherhood with my pledge class that will last a long time. By learning the cardinal principles of the fraternity, I shared experiences and memories with my new brothers that I will never forget. I am happy that I chose to join Phi Delta Theta and grateful to be a part of it."

Jack Miller

"My favorite memories of pledgeship were the meetings... they encouraged us to work together as a class to get stuff organized and definitely made us closer as a whole. I also really enjoyed the older brothers taking the time to truly get to know us. We could all tell they cared about us and the future of this fraternity."

A New Position on Our Exec Team: Community Service Chair

“My name is Aidan Troutman and I’m excited to announce that I am serving as the Community Service Chair! Community service has always been a passion of mine, and I was excited to hear that this new position would be added to the executive team. I look forward to serving alongside our brothers in giving back to the community. I’m committed to making every project meaningful and impactful for everyone involved. Last Sunday, we volunteered at a pickleball tournament that was put on by SAAC. This included helping get the nets set up along with being referees for the games. A future event that we have planned is volunteering at the Boys and Girls Club in Madison. I look forward to getting brothers involved and making this a fun experience for everyone!”

Upcoming Events

We are excited to share updates on two upcoming events. The first, and most imminent, is the Phi Delt Formal, which will be held in Canada this year. In future newsletters, we look forward to sharing photos, quotes, and memorable experiences from the event. As of now,

the brothers are eagerly anticipating the trip and making final preparations.

The second major event is our Phi Auction, a fraternity fundraiser aimed at increasing the overall house budget. This event will serve as an opportunity for Hanover students to contribute to our cause. Following the auction, we will share highlights, photos, and reflections from the brothers in an upcoming edition. We will also inform alumni where the money raised ended up going!

RSVP For Alumni Day

We are pleased to announce that we have coordinated with Butler Falls Golf Course to host a golf outing on **Saturday, May 17**. This event will provide a wonderful opportunity to reconnect with fellow alumni and strengthen our Phi Delta Theta network.

To RSVP, simply text **(812) 360-5019**. The active brothers recognize the value of fostering strong relationships with our alumni, and we sincerely hope you can join us for a day of camaraderie and shared experiences. We look forward to seeing you there!
